ON-CALL CIVIL ENGINEERING SERVICES:  
DEVELOPMENT PLAN CHECK REVIEW**

**1. INTRODUCTION**

The City of Newark (City) is seeking experienced and qualified Civil Engineering firm(s) (Consultant) to perform civil plan check and map review to supplement City staff in response to development activity and permit applications. The Consultant will be expected to review multiple development projects from initial planning entitlement through improvement plan and final map approval, construction and final sign-off of improvements by the City. The Consultant(s) will be expected to act on behalf, and as an extension, of City staff, in the interests of the City and its residents.

The Consultant shall also be able to demonstrate a strong knowledge of the requirements of the Regional Water Quality Control Board (RWQCB) Municipal Regional Stormwater NPDES Permit Order No. R2-2015-0049 (MRP) and the ability to review development applications for conformance with these requirements.

**2. BACKGROUND**

The City of Newark is located in Southern Alameda County at the east end of the Dumbarton Bridge, 30 miles south of Oakland 15 miles north of San Jose. Newark was incorporated as a General Law City in 1955 and has a Council/Manager form of government. Newark's population is approximately 44,380, with an encompassed area of approximately 13 square miles. Other information regarding the City of Newark can be found on the City's website – [www.newark.org](http://www.newark.org).

**3. GENERAL**

The selected firm(s) will work under the general direction of the Public Works Director or designee to perform services as they are required. Consultant selection will be at the sole discretion of the City. No consultant is guaranteed work.

The selected Consultant(s) will enter into a Contractual Services Agreement which will specify the billing rates, personnel to be assigned, and other terms. No monthly retainer is anticipated. Consultant work will be authorized by Task Orders issued by the City in the form of a written request. Selected firm(s) may be asked to submit proposals which include a scope and fee for future projects prior to issuance of a Task Order. Certain projects, if assigned, shall be performed pursuant to a 'not-to-exceed' amount. For these projects, Consultant(s) shall prepare a detailed scope of work, payment schedule and schedule of deliverables for review and approval by the City.

The City is requesting services for a minimum term of two (2) years, renewable for two additional one (1) year periods, upon mutual consent of the City and Consultant. Approximately 60 days prior to the end of each agreement period, a meeting may be held between the Consultant(s) and City of Newark staff to conduct a performance review, revise the scope and/or language of the agreement, and submit the Consultants' most current rate schedules. The Contractual Services Agreement requires the City Council's approval. Extensions to the term of the agreement, as allowed, will be subject to review and approval of the Public Works Director, City Manager and/or City Council.

#### **4. SCOPE OF SERVICES**

The defense obligation includes an obligation to provide independent defense counsel if Consultant asserts that liability is caused in whole or in part by the negligence or willful misconduct of the indemnified party. This paragraph survives completion of Services or the termination of this contract. The provisions of this paragraph are not limited by and do not affect the provisions of this contract relating to insurance.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or

(2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named insured; whichever is greater.

In addition to the foregoing, Consultant shall obtain and maintain during the term hereof a valid City of Newark Business License.

**16. TERM/TERMINATION.**

**A.** The term of this Agreement shall commence upon the date first hereinabove written and shall expire on \_\_\_\_\_. At the end of the term, the City may renew this Agreement for two (2) one-year terms as authorized by the by the Public Works Director, City Manager, or City Council.

**B.** Notwithstanding the provisions of paragraph 16 section A above, either party may terminate this Agreement without cause by giving written notice thereof not less than ten (10) days prior to the effective date of termination, which date shall be included in said notice. In the event of such termination, City shall compensate Consultant for Services rendered and reimburse Consultant for costs and expenses incurred, to the date of termination, calculated in accordance with the provisions of paragraph 3.
