

# NOTICE TO CONTRACTORS

## 2016 STREET SLURRY SEAL PROGRAM, PROJECT 1117

The City Council of the City of Newark invites sealed bids for the construction of public improvements for 2016 Street Slurry Seal Program, Project 1117, City of Newark, Alameda County, California. Sealed bids must be delivered to the City Cashier of the City of Newark at 37101 Newark Boulevard, First Floor Cashier Counter, Newark, California, before **2:00 p.m. on Tuesday, June 28, 2016**. At that time all bids will be publicly opened, examined and declared.

The improvements are generally described as follows:

Place approximately 99,900 square yards of type II polymer modified asphalt emulsion slurry seal on various streets as indicated in the Specifications. Project includes crack sealing, applying herbicide, traffic striping and legends removal, street sweeping services, thermoplastic re-striping, and other related items of work necessary to complete improvements. The City reserves the right to delete certain streets from the project, if necessary, to stay within funding limitations at the sole discretion of the City Engineer.

All slurry seal work on this project must be completed by August 25, 2016. Also, slurry seal work in the commercial areas shall be done on Sundays only.

Specifications for the work may be obtained at the City of Newark Public Works Department, 37101 Newark Boulevard (First Floor), Newark, California, for a non-refundable fee of \$20 per set. For information regarding obtaining Specifications, or a list of plan holders, please contact Ms. Charlotte Allison at (510) 578-4452 or by E-mail to [charlotte.allison@newark.org](mailto:charlotte.allison@newark.org). All technical questions should be directed to Associate Civil Engineer, Ms. Trang Tran at (510) 578-4298 or by E-mail to [trang.tran@newark.org](mailto:trang.tran@newark.org).

No pre-bid meeting is scheduled for this project.

The Contractor shall possess a valid **Class A, Class C-12 or Class C-32** California Contractors license at the time bids are opened. The successful Bidder shall furnish a Performance Bond and a Payment Bond. Items of work in conjunction with this project are included in the Proposal.

As of July 1, 2014, all Contractors bidding on this project are required to register with the Department of Industrial Relations (DIR) and to pay the required annual fee. Under California Labor Code section 1771.1, as amended by SB 854, unless registered with the DIR, a Contractor may not bid or be listed as a Subcontractor for any bid proposal submitted for public works projects on or after March 1, 2015.

The City of Newark reserves the right to reject any or all bids, and to waive any minor informalities, irregularities and/or bid non-responsiveness that does not influence the competitive nature of the bid.

The City of Newark hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business and women owned business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information,

marital status, sex, gender, gender identity, gender expression, age, sexual orientation, including a perception that the person has any of those characteristics or that the person is associated with a person who has, or is perceived to have, any of those characteristics in consideration for an award.

Pursuant to Section of 1773 of the Labor Code, the general prevailing rate of wages in the county in which the work is to be done has been determined by the Director of the Department of Industrial Relations of the State of California. These wages are set forth in the General Prevailing Wage Rates for this project. The Contractor and all subcontractors shall pay all their employees performing labor under this Contract salaries or wages at least equal to the general prevailing wage rates for the particular crafts, classifications or types of workers employed on this project. These wage rates appear in the latest Department of Industrial Relations publication. Future effective wage rates which have been predetermined and are on file with the Department of Industrial Relations are referenced but not printed in said publication, and are available on the internet at [www.dir.ca.gov](http://www.dir.ca.gov).
