

LEGO FUNGINEERING

Your child will have fun playing with LEGOs® - and will learn a little about engineering & design basics at the same time. Each session will include planned projects, "free play" time (including some time with a Mindstorms EV3 robot), & some basic instruction/explanations - all geared towards added development of your child's creativity & imagination. Children can also learn to follow step-by-step instructions - and to play, share & socialize nicely with others.

\$35 materials fee to be paid to instructor for fun, basic set of LEGOs (should be 400+ pieces). If your child already has a large bucket of basic LEGO pieces, please bring to 1st class (& then you won't need to pay the materials fee).

New! KENDO, "THE WAY OF THE SWORD"

KENDO, The Way of the Sword, is rooted in the sword fighting techniques of the ancient Japanese warrior "SAMURAI." The martial art conditions the body and mind through traditional physical and spiritual training, ignites continuous self-improvement, and forges a warrior spirit to conquer adversity.

Instructor: Hiroshi Ichimura, Southern Alameda County Kendo Dojo

Location: Silliman Center, Betty Gentry Dance Studio
No class: 9/3, 11/26

Beginner class: The class is for beginners only. Practitioners will learn the fundamental body movements and characteristics of KENDO. Participation requires the use of a shinai (bamboo sword), which is included in the registration fee. Protective gear (bogu) is not required. Students should wear comfortable clothes.

Advanced class: This class is for experienced kendo practitioners who have either completed the beginner class or are able to demonstrate proficiency in the fundamentals of KENDO. Students will engage in actual combat and should possess own shinai (bamboo sword) and protective gear (bogu). Instructor approval required prior to enrollment.
