loop

The Loop bike rack is a simple, sweeping circle with a twist. Cyclists can loop and lock one bike or two around its shape-shifting cast aluminum ribbon frame. Functional and sculptural, it meets a growing need for secure bike docking in recreational areas and "complete streets," carrying on the 35 Collection mission to support social activity in outdoor space.

Our Purpose Is To Enrich Outdoor Spaces

We believe in the power of design and the ability to influence and elevate the quality of public space. High-quality products and outstanding customer service makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Charlie Specifications

The Charlie table is a 67" oval that seats up to 3 people. Steel seat panels have a perforated pattern, and are surrounded by cast aluminum trim. Ribbon-like steel legs support the steel/aluminum table top, and are surface mounted through stainless steel glides/inserts. Stainless steel anchor hardware ships with the table. An offset umbrella hole option is available. Charlie is ADA compliant and must be surface mounted.

To Specify

Specify a Charlie table, with or without umbrella hole and powdercoat color. Charlie ships with mounting hardware.

67" table
60" table with umbrella hole
67" x 36" x 67"
60" x 36" x 61"
Scarborough Specifications

Bench

Woven and horizontal strap seat styles may be specified for backed or backless benches. Backed benches are offered in 24', 48', 72', or 96' lengths. Backless benches are offered in 45', 72', or 96' lengths. Center arm may be specified on backed or backless benches in 48', 72', or 96' lengths. Bench in 96' length available with two intermediate arms.

Support end frames are 1' x 1' solid steel, joined by 1-1/2' dia. 1/8' wall thickness tubular steel. Seating panels are horizontal steel straps (1-1/2' x 3/16') or woven stainless steel strands (1-1/2' x 1/8'). Scarborough bench comes standard with surfaces/teastanaging mount support.

Finishes

Metal is finished with Landscape Form's proprietary Pergard® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading. Call for standard color chart.

To Specify

Bench: Specify backed or backless, bench length, horizontal strap or woven seat style, with or without center/intermediate arm, and powdercoat color.

Liner (recessed): Select top- or side-opening, vertical strap or squared bar side panel, powdercoat color. If optional powdercoat color is specified, select standard powdercoat color for liner. Options: keyed bolts; ash pan on side-opening units.

Bench Seating (Under Gazebo)
