E. PUBLIC HEARINGS

E.1 Hearing to consider: (1) P-16-4, a planned unit development and U-16-5, a conditional use permit for two corridor access lots on Sunset Avenue (APN: 92A-465-56); and (2) ASR-16-6, an Architectural and Site plan
Review for two single family homes at 7731 and 7733 Sunset Avenue – from Assistant City Manager Grindall.  

(REPORT)(MOTION)

Background/Discussion - Mr. Abdul Durrani has submitted an application to create two corridor access lots upon which he proposes to construct two single-family dwelling units. Attached is Exhibit A, pages 1 through 9.

The creation of the corridor access lots requires Planning Commission and City Council approval of a planned unit development and a conditional use permit. Given the constraints of this lot, corridor access is necessary to access the rear portion of the lot. The Zoning Code requires that in low density residential districts, corridor access lots shall have not less than the minimum site area required for permitted uses in its respective zoning district, exclusive of corridor area, and a corridor with a width of not less than twenty feet for its entire length, subject to securing a conditional use permit and a planned unit development permit. The corridor width requirement may be shared by more than one lot, subject to conditional use permit and planned unit development permit review.

The twenty-one foot wide corridor access leads to Parcel 1 with a 3,619 square foot, two-story home, and Parcel 2, with a 3,742 square foot, two-story home. Both homes provide large family, living, and dining rooms, along with 5-bedrooms and a loft. The design of both homes is identical, with a stucco exterior, concrete “S-style” tile roofing, and a ground-floor bay window feature off of the living room.

The applicant held a community meeting on November 9, 2015 to discuss this proposal with residents within 300 feet of the property. The meeting was well attended and no one spoke against the project. If the Planning Commission approves this project, it will be submitted, along with the Tentative Parcel Map, to the City Council for their review and approval.

The proposed project is categorically exempt from the California Environmental Quality Act per Section 15303, “New Construction or Conversion of Small Structures”, Class 3. This allows for the construction and location of a single-family residence, or a second dwelling unit in a residential zone. In urbanized areas, up to three single-family residences may be constructed or converted under this exemption.

Attachment

Update – At its meeting of February 23, 2016, the Planning Commission approved Resolution No. 1929, for a P-16-4, planned unit development and U-16-5, a conditional use permit for two corridor access lots on Sunset Avenue (APN: 92A-465-56); and by motion, approved ASR-16-6, an Architectural and Site plan Review for two single family homes at 7731 and 7733 Sunset Avenue, with Exhibit A, pages 1 through 9.

Action - It is recommended that the City Council: (1) by resolution approve P-16-4, a planned unit development and U-16-5, a conditional use permit for two corridor access lots on Sunset Avenue (APN: 92A-465-56); and (2) by motion, approve ASR-16-6, an
Architectural and Site plan Review for two single family homes at 7731 and 7733 Sunset Avenue, with Exhibit A, pages 1 through 9.

**E.2 Public Hearing, per the Tax and Equity Fiscal Responsibility Act, to consider the issuance of revenue bonds by the California Municipal Finance Authority (CMFA), for and on behalf of USA Properties Fund Inc., in an amount not to exceed $17,000,000, for a 75 unit multi-family, rental housing facility located at 37433 Willow Street; and authorizing the execution of a Joint Exercise of Powers Agreement relating to the CMFA from Assistant City Manager Grindall.** (RESOLUTION)

**Background/Discussion** – In 2014, the City Council approved Resolution No. 10193 providing for 75 affordable housing units as part of the SHH Project within the Dumbarton Transit Oriented Development. The housing, now entitled Newark Station Senior Apartments, will be located at 37433 Willow Street. USA Properties Fund, Inc., the owner and operator of the facilities has requested that the City Council conduct a Tax and Equity Fiscal Responsibility Act Hearing, execute a Joint Powers Agreement with the California Municipal Finance Authority (Authority), and approve the issuance of revenue bonds by the Authority.

USA Properties Fund, Inc. has requested that the California Municipal Finance Authority (CMFA) serve as the municipal issuer of the Bonds in an aggregate principal amount not to exceed $17,000,000 of tax-exempt revenue bonds. The proceeds of the Bonds will be used for the acquisition, construction, improvement, and equipping of a 75-unit multifamily rental housing facility (the “Project”) to be owned and operated by the borrower and located at 37433 Willow Street.

The California Municipal Finance Authority (CMFA) was created in 2004 pursuant to a joint exercise of powers agreement to promote economic, cultural and community development, through the financing of economic development and charitable activities throughout California. The CMFA assists local governments, non-profit organizations and businesses with the issuance of taxable and tax-exempt bonds aimed at improving the standard of living in California. To date, over 200 municipalities have become members of CMFA.

In order for all or a portion of the Bonds to qualify as tax-exempt bonds, the City of Newark must conduct a Tax and Equity Fiscal Responsibility Act Hearing (the “TEFRA Hearing”) providing for the members of the community an opportunity to speak in favor of or against the use of tax-exempt bonds for the financing of the Project.

**Execution of the Joint Exercise of Powers Agreement**

In order for the CMFA to have the authority to serve as the issuer of the bonds for the Project, it is necessary for the City of Newark to become a member of the CMFA. Attached to this report is a copy of the Joint Exercise of Powers Agreement to be executed by the City Manager.
The Joint Exercise of Powers Agreement provides that the CMFA is a public entity, separate and apart from each member executing such agreement. The debts, liabilities and obligations of the CMFA do not constitute debts, liabilities or obligations of the members executing such agreement.

The Bonds to be issued by the CMFA for the Project will be the sole responsibility of the Borrower, and the City will have no financial, legal, liability, or responsibility for the Project or the repayment of the Bonds for the financing of the Project. All financing documents with respect to the issuance of the Bonds will contain clear disclaimers that the Bonds are not obligations of the City or the State of California, but are to be paid for solely from funds provided by the Borrower.

There are no costs associated with membership in the CMFA and the City, by the terms of the JPA, will not be exposed to any financial liability by reason of its membership in the CMFA. In addition, participation by the City in the CMFA will not impact the City’s appropriations limits and will not constitute any type of indebtedness by the City. Outside of holding the TEFRA hearing, adopting the required resolution and executing the Joint Exercise of Powers Agreement of the CMFA, no other participation or activity of the City or the City Council with respect to the issuance of the Bonds will be required.

The Joint Exercise of Powers Agreement expressly provides that any member may withdraw from such agreement upon written notice to the Board of Directors of the CMFA. The City following its execution of the Joint Exercise of Powers Agreement, could, at any time following the issuance of the Bonds, withdraw from the CMFA by providing written notice to the Board of Directors.

**Fiscal Impact**

The Board of Directors of the California Foundation for Stronger Communities, a California non-profit public benefit corporation (the “Foundation”), acts as the Board of Directors for the CMFA. Through its conduit issuance activities, the CMFA shares a portion of the issuance fees it receives with its member communities and donates a portion of these issuance fees to the Foundation for the support of local charities. With respect to the City of Newark, it is expected that a portion of the issuance fee attributable to the City will be granted by the CMFA to the general fund of the City. The funds may be used for any lawful purpose of the City. The Borrower will be the beneficiary of the CMFA’s charitable donation through a 25% reduction in issuance fees.

**Summary**

In light of the foregoing, and in order to support affordable housing, staff recommends that the City conduct the TEFRA Hearing, execute the Joint Exercise of Powers Agreement of the CMFA, and adopt the resolution in favor of the issuance of the Bonds by the CMFA.
Attachment

**Action** - It is recommended that after the close of the TEFRA Hearing, the City Council, by resolution, authorize and direct the execution of a Joint Exercise of Powers Agreement relating to the California Municipal Finance Authority and approving the issuance of revenue bonds by the Authority for the purpose of financing or refinancing the acquisition, construction improving and equipping of certain facilities at 37433 Willow Street for the benefit of USA Properties Fund, Inc., or an affiliate thereof.

**F. CITY MANAGER REPORTS**

* (It is recommended that Item F.1 be acted on unless separate discussion and/or action is requested by a Council Member or a member of the audience.)*

**CONSENT**

**F.1** Introduction of an ordinance amending the Newark Municipal Code by repealing Chapter 2.20 Redevelopment Agency – from City Clerk Harrington. *(ORDINANCE)*

**Background/Discussion** – In 1975, the City Council established a Redevelopment Agency to prepare and implement plans for improvement, rehabilitation, and development of certain areas within the city. In June of 2011, the California State Legislature approved and the Governor signed Assembly Bill 1X26 which dissolved all redevelopment agencies in the State of California. There was a legal challenge and the California Supreme Court upheld AB 1X26.

All Redevelopment Agencies in the State of California were disbanded, and no longer exist as public bodies. Successor Agencies were formed and given the authority, rights, duties, and obligations formerly held by the Redevelopment Agency. The purpose of the Successor Agency is to make payments on the former Redevelopment Agency enforceable obligations and close the efforts of the former Redevelopment Agency. The only obligation remaining from the dissolution of the Newark Redevelopment Agency is the loan from the City to the Newark Redevelopment Agency. Newark’s Successor Agency was formed on January 12, 2012. The Successor Agency has been requesting and receiving repayments on the loan per the Health and Safety Code requirements.

As a result of these actions, it is no longer necessary to include the Redevelopment Agency in the Newark Municipal Code.

**Action** - It is recommended that the City Council, by ordinance, amend the Newark Municipal Code by repealing Chapter 2.20 Redevelopment Agency.
