D. WRITTEN COMMUNICATIONS
E. PUBLIC HEARINGS

E.1 Hearing to consider the release of a covenant of easement for the non-buildable easement located at 39890 Eureka Drive - from Public Works Director Fajeau. (RESOLUTION)

Background/Discussion – With the recording of Parcel Map 7726 on June 21, 2001, the property owner provided a covenant of easement to the City of Newark for a non-buildable easement over Parcel 1 of said map pursuant to Sections 65870 through 65875 of the California Government Code. This 16-foot by 220-foot non-buildable easement was not intended for use of the general public, but solely to limit construction in the designated area for the benefit of the adjoining Parcel 2.

Parcels 1 and 2 of Parcel Map 7726 are now under common ownership and have been merged into a single legal parcel. The covenant of easement is therefore no longer needed and should be released pursuant to California Government Code Section 65874.

Attachment

Action - It is recommended that the City Council, by resolution, release the covenant of easement for the non-buildable easement located at 39890 Eureka Drive.

E.2 Public Hearing to consider a Resolution increasing the Parks Impact Fee under Government Code Section 66001, repealing the previous fee, and amending the Master Fee Schedule to reflect these changes - Assistant City Manager Grindall. (RESOLUTION)

Background/Discussion – In 2013, the Newark City Council approved Resolution No. 10,132 establishing a Park Impact Fee of $7,460 per residential unit. The fee replaced previous park fees.

Since that time, property valuation and park improvement costs have rapidly escalated. The City commissioned a Park and Recreation Facility Development Impact Fee Study to analyze the appropriate level of the Park Impact Fee. The study was conducted by Keyser Marston Associates Inc. and a copy is attached.

Maximum Legal Fee

The study analyzes the cost of providing parks facilities to future residents. The study’s methodology is to multiply the park service standard per person times the cost per acre of Park times the average household size to calculate maximum fee per housing unit.
City's General Plan Park Service standard is 3 acres per 1000 residents thus .003 acres per person.

\[ \times \]

\text{Cost per acre for completed park was estimated as} \$3,198,720

\[ \times \]

3.23 residents per housing unit

\[ = \]

\[ .003 \times 3,198,720 \times 3.23 = \$30,996 \text{ per residential unit.} \]

This formula establishes the maximum legal fee that could be assessed. If land is provided by the developer, any such land and dedication shall comply with all applicable standards contained in the Newark General Plan and applicable law, then the cost of land is subtracted from the formula and results in a maximum fee $7,749 per unit.

**Recommended Fee**

The Park and Recreation Facility Development Impact Fee Study also analyzed the fees charged by neighboring cities. As can be seen in Appendix Table A-4, the park fees on a 3 bedroom detached home range from $9,709 in Pleasanton; $23,971 in Fremont; and $44,673 in Milpitas. In light of the need to be competitive, Keyser Marston Inc. recommended a fee on detached housing of between $22,000 and $25,000 per detached dwelling unit.

In order to encourage multi-family construction, as guided by our State certified General Plan Housing Element and regional planning documents, the consultant recommended a fee of $15,000 to $18,000 per multi-family unit.

Based on analysis contained in the Park and Recreation Facility Development Impact Fee Study, staff recommends the following Park Fee structure:

<table>
<thead>
<tr>
<th>Type of Unit</th>
<th>Fees for Projects that Do Not Dedicate Land for Parks</th>
<th>Fees for Projects that Dedicate Land for Parks</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single Family Unit</td>
<td>$25,000</td>
<td>$7,500</td>
</tr>
<tr>
<td>Multi-Family Units</td>
<td>$18,000</td>
<td>$5,300</td>
</tr>
</tbody>
</table>

**Fee Indexing**

In order to help assure that the proposed fee stays current with park improvement costs the fee would be adjusted annually based on a construction cost index. Furthermore, land acquisition costs would be reviewed every two years and a fee adjustment considered if there have been major changes in land cost.
Application/Effective Date

The Park Impact Fees would not apply to approved projects that have a Development Agreement or Vesting Tentative Map unless the provisions of the documents allow the application of such fees. A credit would be given against this fee for the actual cost of public parks included in a development. The fee would be effective 60 days after the approval of the resolution. (August 8, 2016 if approved on June 9, 2016)

Attachments

Action- Staff recommends that the City Council adopt a resolution increasing the Parks Impact Fee under Government Code Section 66001, repealing the Fee previously established in Resolution No. 10,132, and amending the Master Fee Schedule to reflect these changes.

F. CITY MANAGER REPORTS

(It is recommended that Items F.1 through F.4 be acted on simultaneously unless separate discussion and/or action is requested by a Council Member or a member of the audience.)

CONSENT

F.1 Calling and giving notice of the holding of a General Municipal Election on Tuesday, November 8, 2016, for the election of certain officers of the City of Newark – from City Clerk Harrington. (MOTION)(RESOLUTION)

Background/Discussion – The City’s next General Municipal Election will be held on November 8, 2016. A Mayor will be elected for a two-year term and two Council Members will be elected for four-year terms. Candidates may file nomination papers from July 18, 2016, through August 12, 2016. Should an incumbent fail to file, then the nomination period would extend to August 16, 2016 for that incumbent’s elective office. The incumbent who did not file would not be eligible to file during the extended period.

The Alameda County Registrar of Voters (ROV) establishes polling places, secures precinct workers, prepares sample and official ballots, provides absentee voting, and tabulates the votes. In order for the ROV to render these services, the City must adopt a resolution requesting the services of the ROV through the Alameda County Board of Supervisors.

The Registrar’s estimate for election services is between $4.00 and $6.00 per registered voter. Based on Newark’s current voter registration of 19,711, the estimated cost for the election will be between $78,844 and $118,266, plus other publication
printing, translation, and supply costs borne directly by the City. Funds to cover the services provided by the County and other vendors are included in the 2016-2017 fiscal year budget.

Resolution No. 7400 requires the City Clerk to estimate the cost and collect the deposit for the optional Candidate Statement of Qualifications. Candidates are responsible for the actual costs associated with their Statement of Qualifications. Based on the last election, staff has estimated an approximate cost of $200 per statement. The candidate will be refunded any overage or billed for any additional costs within 30 days of the final invoice from the ROV.

Attachment

Action - It is recommended that the City Council, by motion, approve the estimated cost of $200 to be paid by each candidate at the time nomination papers are filed for his/her Statement of Qualifications and, by resolution calling for the holding of a General Municipal Election to be held on Tuesday, November 8, 2016, for the election of certain officers; requesting the Alameda County Board of Supervisors to consolidate the General Municipal Election with the General Election to be held on November 8, 2016; and request services of the Registrar of Voters.

The current rate of $16.53/hr. will adjust to $17.10/hr. commencing with the 2016-2017 school year due to the passage of this part-time employee benefit.
